SIGN UP NOW FOR THE

DRAGON BOAT CHARITY CHALLENGE

Poole Park Saturday 8th June 2019 10am-3.30pm

**Do you have what it takes to be this year's
DRAGON BOAT CHAMPIONS?**

If so, join The Stable Family Home Trust and take part in the Poole Park Dragon Boat Charity Challenge to help raise funds for adults with learning disabilities to lead more independent lives.

We are looking for businesses, groups, families or friends to take to the water and battle it out against other competitors at Poole Park on Saturday 8th June. Whether you are looking for a team building exercise, a networking opportunity, to push your competitive limits or just have a fun day out, this is how you can achieve it, whilst also raising money for a great cause.

No experience is required, just a sense of fun! All you have to do is turn up. All equipment, instruction and safety training is provided on the day. Just get your team together – up to 16 paddlers and 1 drummer for each boat – and go to our website to register your team and set up your fundraising page <http://sfht.org.uk/dragon>

ACT NOW! Form a crew & enter!

No experience is required and all equipment instruction and safety training is provided on the day by 'Dragon Boat Events'.
